

Whiskey Tasting Seminars

TICKETS REQUIRED: Saturday, March 23rd &
Sunday, March 24th, 10:00 & 2:00

PATTY GREEN WHISKEY DISTILLERY

Join distiller Lynsee Sardell and collaborative partners Jim Anderson and Matthew Russell as they walk through the confluence of events in 2020 that led to this project, the distillation and blending process, hyper-local grain sourcing, and the myriad decisions we made along the way.

This is an incredible opportunity to learn, meet our team, and enjoy these exclusive whiskeys!

Seminars will be hosted in our 'rickhouse' (the new whiskey aging barn just off of the parking lot, below the tasting room) which is kept cellar temperature year-round, so please dress appropriately.

\$50 PER PERSON
