2016 WILLAMETTE VALLEY
SAUVIGNON BLANC

This wine is deeply fruited with tropical notes giving way to apples with extremely crisp acidity on the finish. The wine is bright and fresh, but retains texture and richness without being heavy or taking away from its “summertime drinking” sort of nature.

This wine is consistently floral on the nose with subtle elements of red fruit and smoked meat. The texture is silky, with crisp acidity which keeps the fruit bright and makes you want to keep coming back for more.

This wine is consistently floral on the nose with subtle elements of red fruit and smoked meat. The texture is silky, with crisp acidity which keeps the fruit bright and makes you want to keep coming back for more.
