

2023 VOLCANIC PINOT NOIR The counterpoint to the Marine Sedimentary bottling, here the blend of Dundee Hills vineyards puts the spotlight on the AVA's Jory soils, iron rich and red-hued. The wine itself is red-hued, with a mix of mineral astringency and cherry fruit accented with orange peel highlights.  94points PAUL GREGUTT	2023 VOLCANIC PINOT NOIR The counterpoint to the Marine Sedimentary bottling, here the blend of Dundee Hills vineyards puts the spotlight on the AVA's Jory soils, iron rich and red-hued.
